### The Rifle Match.

The Enterprise, with the Victoria Rifle-  
men, returned yesterday at noon from New  
Westminster. The men, on reaching the  
wharf, were hailed with three cheers. Noth-  
ing could exceed the hospitable reception  
our men met with at the sister capital, and  
all appear to have enjoyed the trip immensely.  
The Enterprise made a fine run up on Tues-  
day, and arrived an hour before she was ex-  
pected, thus preventing the New Westmin-  
ster Volunteers from receiving the Victori-  
ans in the manner intended. In the evening the  
Volunteers, by invitation, witnessed the first  
performance of the New Westminster Dram-  
atic Club, which was highly successful and  
well attended.

At half-past nine the shooting com-  
menced, at the beautiful new range, called  
the Brunette Butts. The New Westmin-  
ster men going in first and making a good score  
of 148 points. At the first range bugler But-  
ler distinguished himself by making five con-  
secutive bull-eyes. The Victori-ans then  
went in, and made 144 points, four less than  
their opponents. At 300 yards each side  
made 115 points. At 400 yards the New  
Westminster riflemen scored 118, and Victo-  
ria 121, leaving the latter still one be-  
hind. The Volunteers then repaired to a  
cold collation on the ground, after which the  
New Westminster Ten resumed firing at the  
final range of 600 yards, making a score of 71  
points. At this stage the betting became  
spirited, odds being freely given on Victoria  
and freely taken. After the first ten shots  
Victoria showed considerably in advance of  
the first ten shots of New Westminster at the  
same range, and the odds in their favor in-  
creased. Our ten pulled up steadily, and  
left off with a result of 81, leaving them vic-  
tors for the first time against their New  
Westminster competitors, with a majority of  
twelve points. The shooting throughout, on  
both sides, as the subjoined score will show,  
was really very creditable. The highest  
scores were made by private W. Newbury  
and bandsman Humphay, of Victoria, 57 and  
53; and bugler Butler, of New Westminster,  
53. At the termination of the match the  
New Westminster Volunteers presented  
arms to the victors, and the whole marched  
back to the Camp, where they were dismissed.

In the evening the New Westminster Vol-  
unteers entertained the Victori-ans at dinner  
at the Drill Hall. About 150 sat down, in-  
cluding members of the Seymour Artillery  
Home Guards and invited guests. Capt.  
Pritchard occupied the chair, supported on  
his right by His Honor Administrator Birch,  
and on his left by Chief Justice Begbie. The  
usual loyal and other toasts were drunk, and  
the enjoyment of the evening was much en-  
hanced by the excellent music performed by  
the band of the Hyacks. At midnight the  
entertainment broke up, and the Victori-ans  
repaired on board the Enterprise, much  
gratified with the kind treatment they had  
received. The weather proved most favora-  
ble for the passage up and down as well as  
for the shooting, and the Volunteers express  
themselves thankful to Capt. Swanson and  
the Hudson Bay Company, for affording  
them this opportunity of enjoyment. The  
return match is expected to come off in about  
ten days or a fortnight in Victoria.

Address of the Heads of Departments  
to Governor Kennedy.

VICTORIA, Vancouver Island, 1  
October 22d, 1866.  
To His Excellency Arthur Edward Kennedy,  
Esquire, C. B., &c., &c., &c.

MAY I PLEASE YOUR EXCELLENCY:—On  
the eve of Your Excellency's premature re-  
tirement from the Administration of the  
Government of Vancouver Island, we desire  
to tender to you the expression of our sincere  
regret. Since first entering on the duties of  
your office we have found on all occasions  
that Your Excellency has rendered the per-  
formance of our respective functions more  
easy by the assistance you have always  
readily given—more pleasing by the urbanity  
and friendliness of your demeanor, and more  
dignified by your own personal worth. In  
the many arduous and delicate tasks which  
Government like that of this Colony entails,  
we can bear respectful testimony to your  
courtesy, your accessibility, to your un-  
wearied zeal in the discharge of Executive  
duties, and to your earnest wish to promote  
the welfare of the Colony.

Your Excellency will carry with you our  
sincere good wishes for your health and pros-  
perity, and we trust that your Administra-  
tion of the Government may be but the pre-  
lude to a course of more extended usefulness  
and value.

J. NEWMAN, Chief Justice.  
WILLIAM A. G. YOUNG, Colonial Secretary.  
THOMAS L. WOOD, Acting Attorney General.  
ALEXANDER WATSON, Treasurer.  
E. W. PEARCE, Acting Surveyor General.  
B. G. ALSTON, Register General of Titles.  
W. R. H. ADAMSON, Sheriff.  
A. F. FENNER, Stipendiary Magistrate.  
C. G. WYLLIE, Assessor.

HENRY WOOTTON, Harbor Master and Post  
Master.  
PHILIP HANKIN, Superintendent of Police.

### [REPLY]

October 23d, 1866.  
GENTLEMEN:—I value your address and the  
kind feeling it discloses, emanating as it  
does from a body of gentlemen who have  
had the best opportunities of forming a judg-  
ment upon an official conduct.  
I thank you for the able, intelligent and  
discriminating support I have received from  
you, and I bear ready and truthful witness to  
your zeal and regard for the best interests of  
the Colony.  
I trust that your disinterested and honora-  
ble conduct may meet its fitting reward, and  
that you will extend your services to my suc-  
cessor as frankly as you have done to me as  
the best means of promoting the welfare of  
Vancouver Island and the honor of the  
Crown.  
A. E. KENNEDY.

THE MELAKATLAN MISSION.—We are  
pained to receive very unfavorable accounts  
from this Mission. It is said that the Mis-  
sionary rules the settlement as with a rod of  
iron; that he orders men and women to be  
flogged for the commission of offences; and  
that on one occasion lately, where a couple  
were caught in the act of violating the  
Seventh Commandment, he himself flogged  
the woman through the streets of the village,  
and tied the man up by his wrists for two  
days. It is also asserted that the Rev. Mr.  
Gibbell and his wife are greatly disap-  
pointed at the condition of things at the  
Mission, and have asked to be recalled. The  
natives, it is added, are unhappy and dis-  
contented, say they have been deceived, and  
wish to sever their connection with the Mis-  
sion. This intelligence comes to us from  
very respectable sources, otherwise we should  
not make it public, for it can scarcely be  
credited that the natives, with the sea before  
them and the forest behind them, would re-  
main to be ill-treated in the manner expressed.  
An explanation will, of course, be demanded  
from Mr. Duncan, and a suspension of public  
opinion until his answer has been received is  
desirable.

THE NEW EXCITEMENT AT BIG BEND.—The  
following is from the Walla Walla Statesman  
of the 12th instant: We learn from Mr. John  
O'Donald, who is down from Colville, that  
quite an excitement existed in that place at  
the time he left, in regard to so very ex-  
tensive mining ground just discovered on  
Arrow Lake, about half way between Col-  
ville and the Big Bend country. Nearly the  
whole population stampeded for the new dig-  
gings. About five miles of country has been  
prospected over, and Mr. O'Donald was as-  
sured that from ten cents to six bits to the  
pan was easily obtained. The steamer "49,"  
Capt. Len. White, runs past the new dig-  
gings on route to the Big Bend mines. Mr.  
O'Donald brought quite a lot of the dust  
with him, and it is pronounced to be worth  
\$18 or once; the dust resembles Mormon  
Gulch gold of California. It is certainly  
good for sore eyes to get a sight of such dust  
as "Uncle John" has on exhibition. Capt.  
White is in good spirits; the last trip of the  
"49" took up forty passengers and a large lot  
of goods to the new diggings. We are glad  
to learn that we have such diggings so close  
at hand, and hope that they may prove not  
only rich but extensive.

JOHN MALOWANSKI, Captain of the Indian  
trading schooner Langley, was shot and se-  
verely wounded on Naas River, recently, by  
a savage. The Indian's father was killed  
some four years ago by a white man. By  
Indian law, if a member of a tribe is killed  
by a member of another tribe, the duty de-  
volves on the wounded man's nearest relative  
to avenge his death by taking the life of the  
first member of the murderer's tribe that he  
encounters. In observance of this law, when  
Malowanski visited Naas River to trade, the  
Indian came forward with a double-barreled  
gun, and, while pretending to examine its  
lock, pulled the trigger and fired the contents  
of both barrels at Malowanski. One ball  
passed through the victim's right arm and  
the other through one of his legs. The as-  
sassin professed to have shot Malowanski  
accidentally; but he was instantly killed by  
order of the chief. The wounded man was  
likely to recover at last accounts.

"BIRDS OF A FEATHER."—The *Foxian* has  
found a friend. No less a personage than  
the editor of the *Columbian*, who calls our  
contemporary "intelligent." The *Foxian* has-  
tened to copy the compliment into his paper.  
No wonder! The wretched creature has  
had more kicks than compliments recently,  
and a word or two of encouragement—even  
from so disreputable a source as the *Colum-  
bian*—must be very comforting. Pile on the  
abuse, Mr. *Columbian*; your words are as  
pleasant to the *Foxian* as soothing syrup to  
teething children. Give him another dose—  
he wants it.

DEATH IN THE P. C. HOSPITAL.—C. Ioner  
Jones held an inquest yesterday upon the  
body of John Gross, recently admitted into  
the Royal Columbian Hospital, from Yale.  
It appears that the poor fellow, who was suf-  
fering from disease of the heart and asthma,  
got up during Monday night, and finding  
his way to the surgery, helped himself to a  
phial of chloroform. Returning to his couch  
he saturated his handkerchief with the liquid  
and applied it to his nostrils, doubtless with  
a view to assuaging the pain. He was found  
dead next morning.—*Columbian*.

THE CARIBBO PRIZE FIGHT.—It appears  
that it was Wilson who whipped Baker and  
not Baker who whipped Wilson, at Caribbo.  
The fight lasted 55 minutes. At the 15th  
round, Baker was knocked out of time and  
lay for a long time like a dead man. The  
victor is a stout, broad-shouldered English-  
man, who fought and won in Australia years  
ago. It is said that the preliminaries for a  
fight between Wilson and Eden have been  
arranged.

HEYWOOD'S PORK SAUSAGE.—Editor of  
Lito.—Mr. Heywood of the Yorkshire Market,  
has commenced for the season to make his  
Celebrated Pork Sausage, manufactured  
from the very best of Island feed pork.  
Every body buys them because they are good  
and only Twenty-Five Cents per pound. \*

CUSTOM RECEIPTS for the week ending  
Oct. 20th, 1866.—Duties, \$237 80; Harbor  
Dues, \$75 57; Head money, \$43; Tonnage  
Dues, \$149 25; Fines and Seizures, \$42 76.  
Total, \$2829 46. Passengers, 43.—*Colum-  
bian*.

NOTICE.—Mrs Digby Palmer beg-  
s to form her pupils and the public that she in-  
tends holding her Dancing Class twice a  
week, Wednesday and Saturday evenings,  
from 8 to 11 o'clock, commencing on the 1st  
November next, at the Sing-Verein Hall  
Exchange Buildings, Government street. \*

FROM PORTLAND.—The steamer Fidelity,  
Capt. Erskine, arrived yesterday evening from  
Portland, bringing 20 passengers and a full  
cargo of produce. The Fidelity crossed  
Columbia River Bar at 1:30 p. m. on Wed-  
nesday, and at 2:20 o'clock, saw the steam-  
ship Active from Victoria bound South.

BIG BEND.—Miners from Big Bend speak  
discouragingly of the alluvial diggings there  
which have in no instance warranted the  
expectations formed of them early in the  
season. Confidence is expressed in the  
quartz veins, which are believed to be very  
rich and extensive.

THE "ENTERPRISE," with the victorious  
Victoria Ten Riflemen, and 70 other pas-  
sengers, arrived from New Westminster at  
12 o'clock yesterday. She also brought a  
Caribbo express and about \$20,000 in  
treasure by private hands.

THE CARIBBO SENTINEL announces that it  
will continue its publication during the win-  
ter months as a semi-monthly issue. We  
hope that the enterprise of our contemporary  
will meet with a generous support.

MR. BAYNE, a gentleman from San Fran-  
cisco, looking at our quartz for an English  
company, was accidentally knocked off the  
wagon coming from Flint District and seri-  
ously injured.—*Idaho World*.

CRICKET MATCH.—We understand that a  
challenge has been sent by the New West-  
minster Cricketers to the Victoria Club. We  
have not heard whether it is to be accepted  
or not.

REMANDED.—Henry Williams was yester-  
day further remanded. Mrs Fredrickson is  
recovering, and it is expected, will soon be  
able to attend and give evidence.

MR. LIEUT. MAYNE, formerly of H. M. S.  
Hecate, has been appointed to the command  
of the surveying steamer Nassau, and detail-  
ed for duty at the Straits of Magellan.

THE Enterprise, we understand, will  
not go to New Westminster before next  
week.
